

Table 3C: Geographic Distribution of ABMS Member Board Diplomates by General Certificate

Numbers in this table provide a count by current location of all active general certificates held by ABMS Member Board diplomates as recorded in the ABMS database as of October 3, 2011. These counts do not reflect the number of individuals certified, as a physician may be certified in more than one specialty. Deceased and retired diplomates are excluded from these counts. See Table 3E for the geographic distribution of ABMS Member Board diplomates by subspecialty certificate. Footnotes for this table can be found on page 26.
