American Board of Surgery	<ul style="list-style-type: none"> <li>Continued participation in an outcomes registry or quality improvement (QI) program such as NSQIP or ACS case log system (amongst others)</li> </ul>	<a href="http://www.absurgery.org">www.absurgery.org</a>
American Board of Thoracic Surgery	<ul style="list-style-type: none"> <li>Peer evaluations (2 letters)</li> <li>Practice Quality Improvement (PQI) project within years 3-5 and 8-10 (PQI begins in 2016)</li> <li>STS outcomes database or portfolio participation (until PQI begins)</li> <li>Multiple pathways including, participation in ABMS Multi-Specialty Portfolio Approval Program is accepted.</li> </ul>	<a href="http://www.abts.org">www.abts.org</a>
American Board of Urology	<ul style="list-style-type: none"> <li>Completion of a Practice Assessment Protocol (PAP) – every 2 years</li> </ul>	<a href="http://www.abu.org">www.abu.org</a>

### About ABMS

For more than 80 years, the American Board of Medical Specialties (ABMS) has been the medical organization overseeing physician certification in the United States. It assists its 24 Member Boards in their efforts to develop and implement educational and professional standards for the evaluation and certification of physician specialists. ABMS Member Boards provide physician certification information to ABMS for its certification verification service programs. ABMS is recognized by the key health care credentialing accreditation entities as a primary equivalent source of Board Certification data for medical specialists. Patients can visit [www.CertificationMatters.org](http://www.CertificationMatters.org) or call toll-free (866) ASK-ABMS to see if their physician is Board Certified by an ABMS Member Board. For more information about ABMS, visit [www.abms.org](http://www.abms.org) or call (312) 436-2600.

The 24 Member Boards that comprise the ABMS Board Enterprise and certify nearly 800,000 physicians include the American Board of Allergy and Immunology, American Board of Anesthesiology, American Board of Colon and Rectal Surgery, American Board of Dermatology, American Board of Emergency Medicine, American Board of Family Medicine, American Board of Internal Medicine, American Board of Medical Genetics, American Board of Neurological Surgery, American Board of Nuclear Medicine, American Board of Obstetrics and Gynecology, American Board of Ophthalmology, American Board of Orthopaedic Surgery, American Board of Otolaryngology, American Board of Pathology, American Board of Pediatrics, American Board of Physical Medicine and Rehabilitation, American Board of Plastic Surgery, American Board of Preventive Medicine, American Board of Psychiatry and Neurology, American Board of Radiology, American Board of Surgery, American Board of Thoracic Surgery and American Board of Urology.
